1. Thou art holy for I am holy and I have made you and you have accepted Me as I made you, as I made you, as I let you be, becoming all of Me you are, all-ing My people with the all of Me that they are, reframing their understanding and pulverizing ions of not-Me that ingrained so deep are. I love you and this is just the beginning of something so great, so cataclysmic that few will stand to receive it/Me, being blown over with no root system to receive the plainness of Me revealed in the flesh; theirs. Oh, watch Me.

2. Think it not strange the invitations and receipts of Me that come now increasingly for you to participate them in the move of My hand revealing Me in My Mine so very plainly, in the ordinary, ordinary-thought who held back have been and operated not as I intended at all. Freedom. There is freedom.

3. There is I Am. Where I am is freedom. I am freedom. I am My body. I designed My body in freedom for freedom, in freedom to operate in, giving freedom and loving freedom not for freedom's sake but Me, loving Me, and loving Me and letting Me be Me, operating in the greatest sweep of My hand ever.

4. So many prepared-thought are not ready and will be swept away by public opinions that run wild, with no power, except consternation, constitutions of not-Me, giving way to constitutions of Me, Me, for ingracious they are not, those who decide they surrender, surrender to My all-ness, My love, My being Me in them, released, powered by only Me, My Father, one.

5. Think it not strange the short fuses which explode and short-circuit the circuits I designed to work in Me, for Me, for Me in freedom, freedom, freedom; who only in freedom work, work, work the works already done before the foundation of the world; laying not again the foundation on top of Me that already is, trying, failing miserably; attempting to god-ize in their minds, not calling it that; perfunctorily not but intentionally exalting their minds above all, gods in god-like fashion exalting themselves and drawing all they can to Me-not, but them. Oh how perverted, concerted their attempts and works are to prevent Me from showing them **I am in them in the fullness of the Godhead bodily; I am that I Am, that they are I Am, for I Am is completely in them.**

6. Oh how I would draw them under My wing and nurture and love; and obey not, but surrender continuously to My/their wants which often are not Me at all, but them exalting their godlike structure to foreign gods of not-Me. I love you.

7. Thank you for penning My words of Ignatius ones not, but Me of Mine. I love you.

8. Oh how I would draw them under My wing and nurture them and give them Me, leading them into paths of righteousness, holiness and adventure, exploration of only Me, which you do, are doing, Me leading you tenderly into leadership that leads of only Me and My value system.

9. Think it not strange the twin towers fall or the forests erupts fires many and **dismantled are many powers that think they are Me.**

10. I love you every single one. I created you by/with the craftsmanship of My hand. I love you. I died for you. I rose from the dead for you and gave you gifts to be Me in every vocation and liability of only Me.

11. My liability? The Cross, the resurrection, death, resurrection, death continuing in life so that life eternal and never dying comes forth, cyclic nation of only Me. I love you.

12. See what I have said, said not in abeyance to man, man's system of thought and reason, rationale and logic, transition or transponding, but Me beaming Me, My heavenly Father in whom is no shadow or variableness of turning. I love you.

13. See Me. I see you. I see you in your mirror every time you look at Me/you.

14. I see you every moment; in sleep rest, and labor on not-Me seeking that which perisheth, perisheth so soon. I love you.

15. I see you in quiet moments and anger and rage, some of you, in moments of distress and grace given to My all; others are. I love you.

16. I **see**/**feel** every thought. I have **become** you.

17. Can you see? Can you see? Will you receive wisdom from only Me to only you and let Me grow you into the all inclusive one who excludes no one in love, surrendering all of who you think you are, and every limitation-thought, to Me, bringing every thought into captivity so that I loose you completely into surrender-hood of only Me, Me emerging? I love you.

18. Think it not strange the "I am not God!" that you hear from man-thought who gods are in My garden not, but My heart of hearts. I gave you everything I am, all I have, and I restrict you not from walking with Me in universes foreign and galaxies unheard of, unseen, unsuspected, existing in only Me for I Am and I Am'd you from the beginning. I am your Father, Father of lights, in whom is no shadow or variableness of turning, and I placed within you My all, My seed matured, if chosen.

19. Do you love Me this day, enough to lay down your heart, so stomp it I won't, but lift, salve, oil, anoint, heal, nurture, heal, take by the hand to My table, My fields so white, harvest is now, and operate by Me will, if chosen, chosen. You have the power, you have My authority, you choose in whose power and authority you operate and adhere to this day and forevermore; forevermore not, for Eden exists and My Christs arise in My Godhead to be Me with Me in/on/through a part of, not, but fully them. See Me. How plain I make it.

20. How concertedly I bare before you My hidden-no-longer for the masses, the elect not, the every member of My family, one blood all. Thank you for "one-blood"-ing My all. I love you.

21. **Drink My cup; the cup of salvation not, the cup of being Me which comes from only Me, for I have given you My all and submitted-surrendered to you and your wants this day;** forevermore not; for consequences there are to decisions made and words uttered and actions taken to limit My brethren or release them in freedom; agency agents of only Me. See what I have said and restrict not My freedomizers from freedom bringing and **effectuating/infecting all with My freedom for viral bondage to cease.**

22. Operating as My body: one. In love: one. One: one.

23. I love you. My beautiful come forth in glory not, not of your choosing; but laying down your life for your brethren in love, concert, grace, humility, deeming all others superior and valueless, not, but Me, My name on their forehead, seen or hoped for, **treat as Me**; doing all for the lowliest-of-these-thought, as to Me. I love you. They will know you are My disciples by My love and not bombs that divide, but love bullets of only Me that seam together the divisions that now come together to agree on every issue not, but to receive Me in My fullness, not letting the add-ons preempt brotherhood in/of brethren of brethren, brethren that separated have become but cannot remain. My love conquers all.

24. My peace reigns and comes in power, grace and glory to the almighty, you, who walk in Me fully.

25. Doctrinate Me not out of My heart and words that come forth now to every heart receiving/opening to Me, My words, directly to them, *through them must be.* Open the channels for communication and receive the erred-thought for to allow maturity and failure, who **if in sincerity following My footsteps are**, growing in stature in Me, My New Covenant, My of-Me fully. I love you.

26. Think it not strange the words of the pretty, the ugly, the not-Me, the of-Me, the Me; Me are, often uttering words of hate, anger and refuse for treated like refuse have been so many. Delicate creatures, sensitive to words and actions of man, now sensitivity to Me conquers all and heals, salves, nurtures, and allows recovery of sight to the blind, and maturity forthwith.

27. Six years, six months; My choosing, their choosing; elementary principles impart and **require** all: **excellence of spirit, humility, surrender**; for *leadership required of all* who leadership aspire to; all can. I love you. I give you Me. realizing the

28. Think it not strange the seams you sew now to bring together My body for garments of only Me, who so far have been from operating in all of Me, in doctrinations so delineated and protected so fiercely, burning all who at the stake disagree, in their minds, in reality. I love you. Never of Me was, is, never will be.

29. Allow all to choose and remain fearful of no add-ons. Let Me be Me and I will mature My bride. Stand back and watch Me and let Me woo My faithful who arrogance cease and let My word room in their heart. I am altogether Me and I love you deeply.

30. Leadershipping My body you are in humility, principles of principles not; but complete surrender, dying to self, to true self see/be: Me! I love you.

31. Think it not strange My humor comes, increases, and revels in laughter of only Me. I made humor; I bring mine. I bring mine to Mine. I love you.

32. **Think it not strange the wrestling in transformation and curriculum birthing requisites. I love you.**

33. Give you My all you have, you do, I do, I give, we are one and together we fashion now the dynamic relation building of Me that Me allows to come forth and Me be, in fullness; rarity not, perverse not; but permeating all of society-thought to **bring forth My nation Israel Zion in the hearts of My all; never divided again. My heart one: known, sewn together, healed by My nail scarred hands,** My nail scarred hands being, the healing agents in agency not but My authority full, fully Me, operating in

surrendered love to love see/be. I love you. We are all one and no one franchises Me. I love you. I am big and there is no smallness in Me. I am every cell and galaxy; nucleonic, protonic. Watch Me come forth.

34. **My nations flow now in My wisdom for nation builders come forth unafraid of any power; nuclear atomic having no power over.** I love you. Nations flee at the word of My mouth and horse seen. I love you. I nations build now as I of Me come forth in/of/being in every nation, tribe, and tongue. Watch Me.

35. Accept not compromise. Discern. Wiser than serpents; gods are, be. I love you.

36. I serpentize you not; no one; but surrender to your surrender to nations build for Me in Mine. I love you.

37. See what I have said; enumerated not, demanded not. All comes forth in humility. I love you. Arrogance none. Lifting all. I love you.
